

How to Sign Up To Bid Online

With www.hueckmanauction.com

When using a laptop or desktop computer:

Step #1 type www.hueckmanauction.com into your browser.

Step #2 click on “Current Auctions” in the upper right corner

Step #3 click on ‘Login/New Bidder” at the top center of the page.

Step #4 follow the steps to create a username and password. Note that you will need to add a credit card. (The reason for the credit card is so that ALL bidders place bids with the means to pay. It ensures that ALL bids are legitimate----even the ones that are against your bids).

Step #5 save or remember your password.
